# LMCP-7H Compact, ultra-durable server

Description:

Intel® Xeon® Processor
64 GB DDR4 Memory
6x 1G routed server ports
USB, RS-232 serial ports

The OPTOKON compact ultra-durable server LMCP-7H is equipped with Intel® CPU, M2 on board disc, one removable SSD disc and up to 6 routed Gigabit Ethernet ports. The LMCP-7H supports up to 64 GB of DDR4 memory, resulting in a reduction in overall power consumption compared to DDR3-based servers.
The LMCP-7H offers military grade features in rugged box making it an ideal platform for applications in harsh and rugged environments. LMCP-7H can operate in harsh environment under temperature range from -32 to 75°C, sealed against dust and debris, our Rugged Line stands up to shock, vibration and extreme temperatures.

OPTOKON NATO supplier code: 1583G

Features:

- Rugged design for harsh environmental use
- Removable high capacity SSD disc with erase functionality
- Button1 for disc erasing
- Variable output ports configuration:
- - Up to 6x routed GbE ports
- - USB
- - RS-232
- GSM-GPS module (optionally)
- Rugged D38999 multipin and MRJ1 connectors
- Extended operating temperature range
- Wide power supply voltage range

Specifications:

Desert color
